

Preventing Workplace Violence (Course 720)

Workplace Violence Prevention Training

Any form of violence in the workplace can devastate your safety culture. This course introduces the student to an important seven-step process of developing an effective workplace violence prevention program. It covers various topics, including initial assessment, written policy development, prevention measures, training, reporting and investigation, post-incident follow-up, and program evaluation. When workplace violence is reduced and eliminated, you are sure to see an increase in employee morale and a decrease in employee turnover, which positively affects your bottom-line.

During the training **eight (8) topics** will be discussed:

1. **Initial Assessment and Security Review;**
2. **Develop a Policy Statement;**
3. **The Violence Prevention Plan (VPP);**
4. **Education and Training;**
5. **Incident Reporting and Investigation;**
6. **Post-Incident Follow-up;**
7. **Organizational Recovery;**
8. **Program Evaluation.**
