

Safety Supervision and Leadership (Course 712)

Safety Leadership Training

Supervisors need to take a tough-caring leadership approach to safety. In other words, employers must insist their employees comply with safety policies and rules because they care about the welfare of the employee and not because it is the policy. This course is designed to help supervisors gain a greater understanding of their responsibilities and obligations to provide physical resources and psychosocial support to ensure work areas are safe and healthful.

During the training **eight (8) topics** will be discussed:

1. **Basic Responsibilities;**
2. **Identifying Hazards;**
3. **Correcting Hazards;**
4. **Providing Safety Training;**
5. **Providing Safety Supervision;**
6. **Ensuring Safety Accountability;** 7. **Creating a Culture of Consequences;**
8. **Safety Leadership.**

Certificate : OSHAcademy Course Completion Certificate.

Required prior education : None (Target Audience: **Supervisor, Manager**).

Course Duration : 6 Hours (0.6 IACET CEUs).
